Top 3 SAT Tips

1. Read the directions for each section before the test day, so you save time.
2. When studying, review questions you get right (not just wrong) to solidify concepts.
3. Don't get stuck on a single question; return to tough questions later.

Upcoming SAT Test Dates (Pick one. Maybe two. Three, if you must!):

March 14th, 2009

May 2nd, 2009

June 6th, 2009

Exams will also be offered in October, November and December 2009.
